DATED this _____ day of _____, 20____

On behalf of the Union

On behalf of the Employer

THE COLLECTIVE AGREEMENT

ARTICLE ONE – OBLIGATIONS AND RECOGNITION

- 1.01 Purpose of the Agreement:** It is the purpose of this agreement to recognize the common interest between the Employer and the Union in promoting the utmost co-operation and friendly spirit between the Employer and its Employees; to set forth terms and conditions of employment to be observed by both parties; and to provide for prompt and equitable adjustment of grievances. To this end, both the Employer and the Union sign this agreement in good faith.
- 1.02 Jurisdiction and Scope of Bargaining Unit:** The Employer recognizes the Union as the sole and exclusive bargaining agent for a bargaining unit described as all Employees of the Employer, including dependent contractors, engaged in motion picture production in the positions set out in Schedule A, or performing any of the functions or similar functions of any of the positions set out in Schedule A. This Collective Agreement applies to all those Employees of the Employer. The Local's Heads of Departments shall be responsible for the building, striking, inspection, handling, placing and producing of sets, electrical equipment, properties, wardrobe and the buying, renting or otherwise acquiring of said properties, wardrobe or equipment as it applies to their area of duties and the Employer agrees to employ sufficient personnel in every department so that each department is able to safely and efficiently complete its work. Each department will have one Head of Department at the applicable rate. It is agreed that the construction of flats falls under the jurisdiction of Local 856.
- 1.03 Job Classifications:** The Employer recognizes the job classifications set out herein and shall not directly or indirectly change, delete, alter or amend the classifications, transfer job functions from one classification to another, or establish a new classification, without written permission from the Union. If with the Union's agreement the Employer creates a new classification, whether included in the bargaining unit described in Section 1.02 or not, it will meet with the Union in an attempt to agree on a rate of pay; failing such agreement, the dispute will be considered a grievance and be resolved in accordance with the provisions of Article Seventeen.
- 1.04 Work Performed Outside of Manitoba:** In the event that any Employee covered by this agreement is assigned to work outside of Manitoba, the Employer agrees that the provisions of this agreement shall apply to such individuals.
- 1.05 Prior Obligations:** The Motion Picture Technicians Union Local 856 is a Local of the International Alliance of Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada (the "International

Alliance"). Nothing in this agreement shall be construed to interfere with any obligation Local 856 owes to the International Alliance by reason of prior obligation.

- 1.06 "Motion Picture" Defined:** It is mutually understood and agreed by both the Employer and the Union that the term "Motion Picture", as used in this agreement, means and includes motion pictures whether made on or by film, tape, digital format or otherwise, or used for the purpose of Electronic Press Packaging, and whether produced by means of motion picture, electronic and/or other devices or any combination of the foregoing, or any other means, methods or devices now in use or which may hereafter be adopted.
- 1.07 Employer's Exclusive Rights:** The Union recognizes that the Employer reserves all rights of management except where expressly limited by this agreement.
- 1.08 Employer's Rules and Regulations:** The Employer's reserved rights of management include the right to establish, and thereafter amend reasonable rules and regulations as the Employer deems necessary for the conduct and management of its operations, provided that such rules are not inconsistent with or contrary to the provisions of this agreement. Any written rules established by the Employer and to be considered enforceable shall be posted by the Employer at all work sites and a copy of the rules is to be forwarded to the Union and attached to all Deal Memorandums after such rules become available.
- 1.09 Good Standing:** The Employer agrees to employ only members in good standing with the Union, as defined by the constitution and by-laws. An Employee's failure to show good standing with the Union shall be sufficient just cause for discharge. If an Employee fails to show good standing to the Union, then the Union will provide written notice of such failure to both the Employer and the Employee. The written notice will state the reason why the Employee is not a member in good standing as required by this section. If the Employee fails to remedy his or her lack of good standing with the Union within three (3) days after issuance of such notice, the Employer shall discharge the Employee so long as such discharge is lawful. The Employer shall not be in default unless it fails to act within said time after receipt of such notice.
- 1.10 Union/Crew Representatives:** Authorized representatives of the Union shall be permitted to visit any production location or site during the hours when Employees are working, provided work is not disrupted and the representative complies with the reasonable and generally applied visitor, security and safety rules and regulations established by the Employer. The Employer shall recognize at least one on-set and one off-set Crew Representative at each production location or site, as appointed by the Union. Any person so appointed shall have the complete cooperation of the Employer in the performance of their duties. Crew Representatives shall have no authority to alter, amend, violate, or otherwise change or interpret any part of this agreement.

- 1.11 No Strike; No Lockout:** The Union agrees that, during the term of this agreement, there shall be no strike or work stoppages and the Employer agrees that there shall be no lockout of Employees. It shall not be a violation of this agreement and it shall not be a cause for dismissal or disciplinary action in the event an Employee refuses to go through or work behind any picket line related to a labour dispute, including such picket line at the Employer's place of business, unless such picket line is deemed unlawful.
- 1.12 Minimum Rates:** The minimum rates set out in Schedule A are basic minimum hourly rates. No Employer will be obligated to pay more than the minimum rates without first bargaining and reaching an agreement with an individual employee to pay a higher rate.
- 1.13 Individual Agreements:** The Employer shall notify the Union, within three (3) days, of any and all individual agreements (including personal service contracts) signed by the Employer and Employees and verify that all such agreements at least conform to the terms, conditions and minimum rates of this agreement. The Employer shall provide a copy of such agreements and a copy of a signed Deal Memorandum to the Employee immediately and to the Union within three (3) days of signing.
- 1.14 Subcontracting/Contracting Out:** No person outside the bargaining unit, whether employed by the Employer or not, shall perform bargaining unit work without the express consent of the Union. The Employer may not subcontract, contract out, or otherwise assign any bargaining unit work to any person, business entity, corporation or association except where the Employer requires special skills, facilities or resources unavailable through the Union, and the Union consents thereto and then endorses a completed work permit. It will not be considered a violation of the agreement for Employees to refuse to work with persons performing bargaining unit work who are not Union members or do not have a work permit endorsed by the Union.
- 1.15 Discrimination:** The Employer agrees it shall not discriminate against or engage in any harassment of any applicant for employment or Employee for reasons based on race, colour, ancestry, place of origin, political beliefs, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity, age, or on any other basis prohibited by applicable federal, provincial or territorial law or on any basis set out in The Human Rights Code of Manitoba.
- 1.16 Name Change or Address Change:** Should there be a change of name of the Employer and/or the title or name of the motion picture, the Employer agrees to notify the Union immediately in writing. Any notices directed to either party are to be addressed to the addresses shown on the Letter of Adherence and both parties will keep each other informed of any changes in address.
- 1.17 Currency:** All references to dollar amount or monetary rates of any kind in this agreement are in Canadian Dollars except as expressly provided otherwise hereunder.

- 1.18 Employer's Obligations:** The Employer shall pay all contributions, premiums or assessments for every person covered by the IATSE 856 Collective Agreement as required by the Canada Pension Plan, The Employment Insurance Act, and any legislation relating to health tax, and any similar legislation enacted. With respect to worker's compensation, or similar programs, the Employer shall pay the premiums required pursuant to the applicable legislation. For the purposes of this agreement all members will be considered Employees of the production company, unless otherwise agreed to by IATSE 856.
- 1.19 New Hire Reporting:** New Hire Reporting is a service provided by payroll companies to provide employers with a report of all Employees hired, as they are hired. The obligation, per the Collective Agreement, to report new hires to the Local is the Employer's and not the payroll company.

ARTICLE TWO – PERFORMANCE BOND

- 2.01 Amount:** Notwithstanding any provisions in this agreement or any Deal Memorandum or Individual Agreement signed by an Employee, the Employer agrees that no Employee shall be required to start work prior to the signing of a Letter of Adherence with the Union, accompanied by a performance bond to guarantee wages and other monies due and payable to the Employees and the Union, in the amount of one hundred fifty thousand dollars (\$150,000) plus a letter of guarantee from a source agreed to by the Union, or an otherwise agreed upon financial instrument.
- 2.02 Release:** The bond shall not be released before a minimum of two (2) weeks have elapsed after the production has been completed and the last Employee has ceased working and been paid, and not before Records of Employment have been issued to all Employees and the Employer has notified the Union in writing of arrangements made to distribute T4 statements, and the Employer has satisfied all of the obligations of this agreement, including the settlement of any outstanding grievances. Partial bonds may be returned upon application at any time. The amount to be returned will be predicated on the outstanding liability to the Employees and Union.

ARTICLE THREE – CREWING

12.09 Worker's Compensation Board Coverage: The Employer shall make payments per The Worker's Compensation Act for all workers covered under this Agreement, and shall

12.10 Proof of Declaration of Residency: On or before the first day of employment, Employees will supply to the Employer reasonable residency information sufficient to ensure that the Employer receives all federal and provincial production tax credits. Such information shall be kept confidential and held in compliance with all applicable privacy legislation except to the extent necessary to obtain the production tax credits.

Should the Employer inform an Employee and the Union that the Employee has failed to furnish appropriate residency information, the Employee shall have two (2) business days within which to provide the required information to the Employer. Should the Employee fail to do so within that time period, the Employer may replace that Employee.

ARTICLE THIRTEEN – STUDIO ZONE, TRAVEL AND ACCOMMODATION

13.01 Studio Zone

- (a) The “Studio Zone” shall be forty-five (45) kilometres from the Manitoba Legislative Building.
- (b) Nearby Locations: For work sites outside of the Studio Zone where Employees will not be required to be lodged overnight:
 - i. Travel time shall be calculated as time spent commuting to and from locations beyond the Studio Zone, calculated from the edge of the Studio Zone at the prevailing rate.
 - ii. The Employer shall provide quality transportation to and from the work site from a marshalling point(s) within the Studio Zone, which Employees shall be obligated to use. The Employer will provide safe and secure, or supervised parking. However, the Employer may, at its discretion, grant an Employee’s request to be excused from the obligation to use the transportation provided, in which case the Employee’s travel shall be at the Employee’s own expense. As an alternative, the Employer may pay each Employee using their own vehicle the mileage rate set out in Article eight (8) for kilometres driven from the nearest Studio Zone limit to the work site and back to the nearest Studio Zone limit.
 - iii. Travel time shall not be counted as part of the workday for meal penalty calculations if such travel is for the return trip to the Studio Zone at the end of the workday.
 - iv. The Employer shall be required to provide overnight accommodations whenever an Employee’s work day on a location outside of the Studio Zone, including nearby locations exceeds fourteen (14) hours. The work day, for

this purpose, shall include time spent commuting to and from locations beyond the Studio Zone, calculated from the edge of the Studio Zone. Should the Employer not provide overnight accommodations in this instance, then each affected Employee shall be paid an additional three (3) hours pay at the prevailing hourly rate, plus all applicable penalties and fringes, plus a per diem payment of twenty-five dollars (\$25.00).

- 13.02 Distant Location:** For work sites outside of the Studio Zone where Employees will be required to be lodged overnight or longer – On days of travel when no work is to be or has been performed by the Employee, travel shall be compensated with an allowance equivalent to four (4) hours at the Employee's straight time contracted hourly rate, or at the Employee's straight time contracted hourly rate for time travelled, whichever is greater.
- 13.03 Accommodation while on Distant Location:** Employees required to remain overnight on a Distant Location will be provided with single occupancy equal to the Canadian Automobile Association (CAA) quality standards when reasonably available by the Employer. In cases where there is lack of proper accommodations the Employer will give serious consideration to transporting individuals to nearby locations that do have proper accommodations, within a thirty (30) minute drive. The Employee shall receive all necessary lodging expenses plus per diem and approved transport expenses to, from, and while on the job.
- 13.04 Travel while on Distant Location:** Portal to Portal – While an Employee is staying in accommodations provided by the Employer outside of the Studio Zone, time spent traveling to and from the work site from such accommodations shall be compensated as follows;
- i. No compensation for the first twelve (12) minutes (.2 hours) each way;
 - ii. At the prevailing rate of pay for the remainder of time spent travelling in the same work day;
 - iii. Such travel time shall not be counted as part of the work day for meal penalty calculations if the travel is for the return trip to the place of accommodations at the end of a work day.
- 13.05 Per Diem Allowance:** On distant locations within Canada or the US where an Employee is required to be housed overnight, the Employee shall be paid weekly, in advance, a per diem allowance of no less than seventy-five dollars (\$75.00) per day. However, if lunch is provided at the expense of the Employer, lunch may be deducted from the per diem allowance in the following manner – seventeen fifty (\$17.50). There are no partial per diems and lunch is the only meal deductible. The foregoing dollar amounts will be payable in U.S. dollars when in the United States.

- 13.06 Unworked Sixth or Seventh Days, or Holidays on Distant Location:** An Employee on distant location within Canada shall receive one hundred forty dollars (\$140.00) per diem on an unworked Sixth day, unworked Seventh day, or unworked Holiday in lieu of any other payment. For all additional days not worked while on distant location, the Employee will receive eight (8) hours of straight time pay plus a seventy dollar (\$70.00) per diem.
- 13.07 Travel Insurance:** The Employer shall provide Employees with a minimum of Two Hundred and Fifty Thousand Dollars (\$250,000.00) of Accidental Death and Dismemberment Insurance when the Employee is required to travel at the request of an Employer if transportation is furnished by the Employer and used by the Employee. The benefits resulting from the policy shall be payable to the Employee, or, in the event of death, to the beneficiary designated by such Employee. If no designation has been made, then such indemnity shall be paid to the estate of the deceased. The Employer shall provide proof to the Union that appropriate insurance is in force upon request prior to the travel day.
- 13.08 Weather Warnings:** Each Employee will be informed prior to departure as to what can reasonably be expected with respect to weather conditions at or near the shooting site so that suitable clothing and/or equipment can be arranged. However, in extreme cold weather beyond what can be reasonably expected in a Manitoba winter, such as the extreme cold experienced in an Arctic winter for example, the Employer shall make available to the Employees suitable clothing and gear to cope with such conditions.
- 13.09 Winter Travel:** When work takes place during winter months outside of the City of Winnipeg Perimeter Highway, the Employer and Employees must be aware of the danger of driving in adverse blizzard conditions.
- (a) Any weather advisories or road closures issued by Environment Canada, Manitoba Highways, local Police or RCMP must be followed by all Employees. Driving during dangerous highway conditions shall be considered dangerous work and Employees may refuse that work with no penalty.
- (b) In situations where the highway conditions worsen to where it is dangerous for the return at the end of the workday, all travel back to the Perimeter Highway must take place and be completed during daylight hours. If conditions are such that daylight travel is not possible, the Employer shall provide overnight accommodation for the Employees affected.

ARTICLE FOURTEEN – LAY OFF, PROBATIONARY PERIOD, DISCHARGE, HIATUS, AND FORCE MAJEURE

- 14.01 Lay-Off Defined:** “Lay-off” means a temporary or permanent severance of employment, (other than discharge), due to a shortage of work, including a hiatus, or scheduled

termination. It is understood that a lay-off automatically occurs at the end of a defined call as follows:

- (a) An end date is specified on an Employee's deal memorandum;
- (b) At the end of the shift of a daily call;
- (c) At the wrap of production, unless an Employee is specifically requested to remain employed beyond such date.

14.02 Weekly Employees – Lay-Off, Notice and Severance Pay: All weekly Employees shall be given one (1) work weeks' notice or one (1) work week of severance pay in lieu of such notice or a combination thereof. Such notice may be in the form of a written general notice attached to a call sheet for Employees who receive such call sheets. Where an automatic lay-off occurs, as defined in Article 14.01, such notice shall not be mandatory. In turn, all weekly Employees shall give the Employer one (1) work weeks' notice before resigning and if such Employee fails to do so, the Employer will not be required to re-employ such employee.

14.03 Daily Employees – Notice of Lay-Off: Daily Employees will be notified prior to the end of their shift if they are required to return to work the next day, and are otherwise considered laid off at the end of such shift. A daily Employee who subsequently becomes a weekly Employee, (any Employee who has worked two full work weeks as defined in Article 5.02), shall be given the same lay-off notice as a weekly Employee, except where such Employee has been given a defined call extension and it is reasonable that such Employee's call has not been extended for the sole purpose of avoiding weekly Employee status.

14.04 Lay-Off – Determination of Employees Affected: When any lay-offs occur, the personnel to be affected by such lay-offs shall be decided upon by the Employer, taking job qualifications into consideration.

14.05 Guaranteed Period of Employment:

- (a) A daily Employee is not guaranteed more than one (1) day of work and a weekly Employee is not guaranteed more than one (1) week of work, unless otherwise specifically set forth in writing on a Deal Memorandum (Schedule B "guaranteed period of employment").
- (b) The obligation of an Employer upon entering into a Deal Memorandum for the employment of any Employee to furnish services during guaranteed periods of employment shall be wholly satisfied by the payment of the contracted wages and benefits for the applicable guaranteed period.

14.06 Discharge During the Probationary Period: The probationary period shall be five (5) calendar days in length from the Employee's first day worked. During the probationary period, the Employer may discharge an Employee on the basis of unsuitability without payment of severance. If such Employee has a guaranteed period of employment beyond one work week and is discharged during the probationary period prior to completion of such guaranteed period, the Employee will be paid the remainder of the guaranteed period of employment.

14.07 Discharge After the Probationary Period: No Employee shall be terminated following the probationary period except under the following circumstances:

- (a) If any Employee is terminated before the completion of the guaranteed period of employment, the Employer shall pay the Employee all remaining unpaid wages as provided in the Employee's Deal Memorandum, except where:
 - i. The Employer has discharged the Employee for just cause;
 - ii. The Employer has terminated the Employee in accordance with the Force Majeure provisions of this Agreement.
- (b) If a weekly Employee is terminated, the Employer shall pay the Employee one work week of wages, except where:
 - i. The Employer has discharged the Employee for just cause;
 - ii. The Employer has terminated the Employee in accordance with the Force Majeure provisions of this Agreement.
- (c) If a daily Employee is terminated, the Employer shall pay the Employee for the greater of the wages due for a minimum call, or the wages due for actual hours worked, except where:
 - i. The Employer has discharged the Employee for just cause;
 - ii. The Employer has terminated the Employee in accordance with the Force Majeure provisions of this Agreement.
- (d) An Employer will not be required to re-employ:
 - i. An Employee previously discharged for just cause under this section;
 - ii. An Employee who fails to report to work ("no show");
 - iii. An Employee who quits.

14.08 Progressive Discipline and Discharge Applicable to Weekly Employees: With respect to weekly Employees, the principles of progressive discipline, (verbal warning, written warning, suspension, dismissal), shall be applied. An Employee has the right to request Union presence at a disciplinary meeting. The Employer must notify the Union in writing

immediately of any discipline beyond verbal, and provide the Union with a copy of a written "Reprimand", and/or written "Notice of Discipline" which exceeds a verbal reprimand in severity, and/or a written "Notice of Dismissal".

14.09 Force Majeure: The Employer may declare a Force Majeure, cancelling work calls, laying off Employees during a work day, or otherwise suspending production without prospective obligations to Employees, as the result of an inability to provide work because of an unforeseen circumstance beyond its reasonable control. Force Majeure includes, but is not limited to: riot, war, fire, earthquake, hurricane, flood, injury, illness, labour dispute, strike, or the failure or inability of a key cast member to perform or the director to undertake their duties, or governmental regulation or order in a national emergency. In such unforeseen circumstance, the Employer shall furnish a statement in writing to the Union within twenty-four (24) hours, or as soon thereafter as practical, as to the reason for the Force Majeure. Employees will be paid at least for the minimum call should the Force Majeure occur during working hours.

14.10 Hiatus: Periods of hiatus shall be governed as follows. With no less than seven (7) working days' notice by the Employer, once every six (6) shooting weeks, and in the case of episodic television, once between hiatus periods, (i.e. between the commencement or resumption of production and a cessation of principal photography for the series for at least one week), or more frequently where agreed by the Employer and Union.

ARTICLE FIFTEEN – SAFETY AND HEALTH

15.01 Preamble: It is agreed by the parties that great emphasis shall be placed on the need to provide a safe working environment. In that context, it shall be the responsibility of each Employer:

- (a) To provide employment and places of employment which are safe, healthful and free from harassment or bullying for the Employees;
- (b) To provide and use safety devices and safeguards, and adopt and use practices, means, methods, operations and processes, which are reasonably adequate to render such employment and places of employment safe and healthful;
- (c) To do every other thing reasonably necessary to protect the life, safety and health (both mental and physical) of Employees';
- (d) To not require or permit any Employee to enter into or be in any employment or places of employment which are not safe, healthful and free from harassment or bullying.

15.02 Workplace Safety and Health: Every Employer shall comply with Workplace Safety and Health standards and all rules, regulations and orders pursuant to applicable laws, which

for greater certainty include The Workplace Safety and Health Act and its regulations. It is agreed and understood that the Employer is obligated to provide to the Union and to each and every one of its Employees, no matter what time a shift is scheduled to begin, with any and all appropriate and necessary Safety and Health policies. It is further understood that while Employees are entitled to raise concerns with the Union and to request copies of policies in its possession, the Union is not the Employer for the purposes of this Agreement and its regulations.

- (a) It is agreed and understood that the Employer is obligated to provide to the Union and to every one of its Employees, no matter what time a shift is scheduled to begin, with any and all appropriate and necessary Safety and Health policies. It is the Employer's responsibility to ensure that these policies are posted in a high traffic location at every workplace. (i.e. a safety board in the lunchroom of the production office, off-set locations and at the craft service table on-set).
- (b) Each production, regardless of the amount of production days, must strike a Health and Safety Committee with Employees of said production. The first meeting must take place a minimum of one week before principal photography, and said committee must consist of no fewer than four persons, of which at least half must be IATSE 856 members.
- (c) It is the responsibility of the Employer and/or their designate to ensure that the First Assistant Director, in consultation with the Employer, holds a safety meeting at the beginning of each day.

15.03 Prohibited Actions: No Employer or Employee shall:

- (a) Remove, displace, damage, destroy or carry off any safety device, safeguard, notice or warning, furnished for the use in any employment or place of employment;
- (b) Interfere with the use of any method or process adopted for the protection of any Employee, including themselves, in such employment or places of employment.

15.04 Responsibility: Rigid observance of safety regulations must be adhered to and willful failure of any Employee to follow safety rules and regulations can lead to disciplinary action including discharge; however, no Employee shall be discharged or otherwise disciplined for refusing to work on a job that exposes the individual to a clear and present danger to life or limb. In such situations, the Employee shall be given an opportunity to discuss such concerns with a Department Head (or Key) before refusing any work. No set of safety regulations, however, can comprehensively cover all possible unsafe practices of working. The Employer agrees to promote in every way possible the realization of safe work practices for every Employee with regard to preventing accidents to themselves, or their fellow Employees.

15.05 Reporting: The Employer shall immediately inform the Union when a workplace accident has resulted in an Employee being injured. The Employer shall send to the Union, upon occurrence, a copy of any accident and incident reports, along with any documentation to or from the Worker's Compensation Board involving the accident or incident.

15.06 First Aid/Craft Services:

- (a) The Employer and the First Aid/Craft Services Key shall have a pre-production meeting to determine the appropriate crewing level in such Department, taking into consideration the following:
 - i. The number of people accessing First Aid/Craft Services;
 - ii. The number of Extras;
 - iii. Any large stunts or special effects;
 - iv. The placement of the Craft Services Truck and station in relation to the work site;
 - v. The First Aid certificate requirements.
- (b) First Aid/Craft Service crew required for crew size: (see Schedule K).
- (c) The Employer may wish to employ a Medic for certain of the above situations. Such medic will not displace the First Aid/Craft Service Key or Technician. Medic as per Manitoba Workplace Safety and Health regulations section 5.9 - Appropriate First Aid for Occupational Hazard.
- (d) The First Aid/Craft Services Department will have means of two-way monitored communication (walkies) for the purposes of First Aid.
- (e) The First Aid/Craft Services shall be stationed no more than five (5) minutes by foot of the shooting set to ensure immediate response to First Aid calls. If the First Aid/Craft Services station is more than five (5) minutes away by foot, then an additional First Responder must be stationed on the shooting set.
- (f) The First Aid/Craft Services and First Responder shall be equipped with the appropriate First Aid Kit including an Automated External Defibrillator (AED).
- (g) An appropriately stocked First Aid Kit shall be on the shooting set at all times.
- (h) A representative of the First Aid/Craft Service department shall remain on duty for First Aid purposes during all pre-calls and wrap of all cable, lighting, grip and scaffolding equipment. Specialty Departments may prep and wrap on their own, provided an Employee who possesses the appropriate First Aid Certificate has been appointed and safety equipment is available.

15.07 Work Site Inspection: Upon request by the Union, the Employer shall undertake a work site safety inspection by a professional inspector, at the Employers expense. A Union representative will be present at the time of the inspection, and/or time a verbal report is given by such inspector. Results of that inspection shall be distributed electronically to the Union office, production Department Heads, and posted at the applicable work locations. The Union agrees to only request such an inspection when warranted concern has been raised by anyone covered by our Collective Agreement.

15.08 Communication: All crews on all work sites shall have access to communication in the form of a cellular phone, land line, or two-way monitored radio communication (walkies) for emergency and First Aid purposes. For the Security Department, the Employer must either supply a cell phone, or pay five dollars (\$5.00) per day as a cell phone rental.

15.09 Menstrual Products: The Employer will ensure menstrual products are made available to Employees in all workplace washrooms at no cost to Employees.

ARTICLE SIXTEEN – INDEMNIFICATION

16.01 Indemnification: The Employer will defend, indemnify, and save harmless any Employee for liability incurred during the effective dates of the Agreement and in the course of performance of the Employee's assigned duties and performed within the scope of their employment for the Employer that results in bodily injury, and/or property damage suffered by any individual(s) subject to the following conditions:

(a) This shall not apply in any instance in which such injury, loss or damage is the result of or caused, in whole or in part, by the gross negligence or willful misconduct of the Employee. For the purpose of the Article, gross negligence is defined as circumstances when it must be plain the magnitude of the risks involved are such that, if more than ordinary care is not taken, a mishap is likely to occur in which loss of life, serious injury or grave damage is almost inevitable.

(b) The Employee shall cooperate fully in the defense of the claim or action, including, but not limited to, providing notice to the Employer immediately upon becoming aware of any claim or litigation, attending of hearings and trials, securing and giving evidence, and obtaining the attendance of witnesses.

16.02 Duration of Protection: The protection provided to the Employee by Article 16.01 is also personal to the Employee and may be enforced by any Employee in any appropriate court or statutory forum. The protection provided to the Employee in Article 16.01 does not expire with the expiration of the Agreement, but will continue with regard to any claim made against an Employee after the expiration of the Agreement for liability that was incurred in the course of performance of the Employee's assigned duties performed within the scope of their employment for the Employer.

16.03 Union Indemnification: It is expressly understood and agreed that the Employer shall have no recourse of any kind against the Union in respect to training or the issuance of a certificate of training to any Employee. The Union does not warrant the qualifications of any Employee, nor the dispatch or placement for employment of any Employee.

ARTICLE SEVENTEEN – GRIEVANCE AND ARBITRATION

- (a) The non-payment of wages and other monies, when due to an Employee or to the Union, shall constitute a breach of this Agreement by the Employer. The Employer shall pay all legal and other costs incurred in the collection of overdue monies. In the event of non-payment, the Union and its members are under no obligation to provide services or to avert a work stoppage.
- (b) All complaints, disagreements or disputes between the Employer and the Union or the Employees covered by this Agreement, which concerns the interpretation, application, operation and/or alleged contravention of this Collective Agreement or any related Deal Memorandum, shall be considered a Grievance.
- (c) The Grievance Procedure shall be as follows:
 - i. When a dispute arises in the workplace, the Union and the Employer will first try to resolve that dispute through discussion. If the matter cannot be resolved in that manner, and the matter gives rise to a grievance, the Employee may then be accompanied by a Union representative, and the grievance shall immediately be taken up with the Production Manager or alternate appointee by the Employer.
 - ii. Should a resolution not be reached, then the Employee may file a Notice of Grievance with the Union Office within fourteen (14) calendar days of the occurrence which the grievance was based, or, within fourteen (14) calendar days after the facts underlying the grievance became known by the Employee. Upon receipt, a representative of the Union shall investigate the claims, then discuss the matter with a representative of the Employer. A representative of the Union may also invoke the Grievance Procedure on behalf of any Employee or group of Employees, or on its own behalf as a policy grievance. At this stage, the Union and the Employer shall thoroughly discuss the matter and endeavour to reach an amicable settlement.
 - iii. If the grievance is not settled, then a grievance must be reduced to writing. This Grievance Letter must be submitted to the other party within thirty (30) calendar days of the occurrence of the event(s) upon which the grievance is based, or, within thirty (30) calendar days after the facts underlying the grievance became known, or should have reasonable become known by the

Employee, the Employer, or the Union. Claims not submitted within this time period shall be deemed waived unless there are reasonable extenuating circumstances, or unless the time period is extended by mutual consent of the parties in writing.

- iv. Should a resolution not be reached within fourteen (14) days after receipt of the Grievance Letter, then the grievance may be submitted to arbitration by either the Employer or the Union. If negotiations in regard to the matters outlined in this Article shall fail, any dispute between the Union and the Employer regarding wages and working conditions as therein set forth shall be settled by reference to a sole arbitrator, as agreed by mutual consent. In the event the parties cannot agree on a single arbitrator within twenty (20) working days, either/or both parties are free to seek assistance from the Manitoba Labour Board, pursuant to Section 114 of The Labour Relations Act.
- v. The single arbitrator appointed pursuant to this Article, shall meet and hear evidence from the Union and the Employer, and shall issue an award within ninety (90) calendar days after completion of hearing the evidence, unless the parties hereto agree to extend or abridge the time for issuance of the award. An award issued by an arbitrator shall be deemed to be final and binding on all parties to the arbitration.
- vi. An arbitrator shall have the authority to determine whether any matter referred to it is arbitrable.
- vii. The Employer and the Union agree that each shall bear their own legal costs and an equal share of the fees and expenses of the arbitrator.
- viii. Should any law now existing or hereafter enacted or any proclamation, regulation, or edict invalidate any portion of this Agreement, the entire Agreement shall not be invalidated thereby and either party hereto may reopen negotiations on the invalidated portion by giving notice to the other party.
- ix. The arbitrator shall be a person agreed upon by the Employer and the Union, and failing such agreement, either party may request the Manitoba Labour Board to appoint an Arbitrator in accordance with The Labour Relations Act. All costs of Mediation and/or Arbitration shall be borne equally by both parties.
- x. The Arbitrator shall not be vested with the power to change, add to or otherwise amend any of the terms or conditions of this Agreement.

- (d) The Employer agrees that, after a written grievance has been lodged, the Employer or its representative(s) shall not enter into discussions concerning the grievance with the aggrieved Employee without prior consent of the Union.

SCHEDULE D

UNION DISPATCH SERVICE - DAILY HIRE (3-day call max)

The Union operates a dispatch service based on qualified members first. Members and permittees need to register weekly (Friday by Noon) for day call through the Portal in order to place bids on calls. Failure by a member/permittee to register for day call could exclude them from being dispatched for work.

HOURS OF OPERATION AND CONTACT INFORMATION

The Union dispatch service is available from 09:00 to 17:00, Monday to Friday for assistance.

- Messages may be left after hours for the dispatcher.
- A minimum of twelve (12) hours notice is required on all dispatch requests, along with all relevant information.
- All daily dispatch requests must go through the portal

How it works:

How to Log in and Register for Day Call

1. Go to www.iatse856.com.
2. Click on the menu link and select “Member Login”, then enter your username and password.

If you do not have your username/password please reach out to the Dispatcher.

Registering for Day Call

Once you are logged in, go to the My Profile tab and select My Availability (if using a smartphone, use the arrow symbol to expand the selection).

In My Availability, you need to ensure you select “Register for the Day Call List for the upcoming week”. Hit save to complete.

The Day Call preference box is to enter your department preference/days available.

****You will need to register for Day Call every week, by noon on Friday for the following week.**

How to place a Call

Once you are logged in, go to the Crewing tab and scroll down to select “Create Call”. Enter all the Call details, including any skills that are required. If you do not see a skill on the list, please enter it in the notes. All fields are mandatory and must be filled out before you hit submit.

All calls go to the Dispatcher for review before they are posted on the Job Board. If you wish to make any changes, or cancel a call **you must let the Dispatcher know** as soon as possible.

Bidding on a Call

Once you are logged in, go to the Crewing tab and select Dispatch. Scroll down to the “Book in Information – Main Board”. You will see jobs you are qualified to bid on and jobs you are not qualified to bid on. For opportunities you can bid on, click on “Place Bid”.

If you require more information about the Call there is a “more info” link on the far-right side, which will show you the details of the call.

Once you have placed your bid, it goes to the Dispatcher for review. Once dispatch has reviewed your bid, you will be notified by email. **NOTE: if you do not get an email confirmation from the dispatch system you are NOT to report to the call!**

It is essential for people to respond to job bids in a timely manner. In the event there are no members to fill the call, Dispatch will proceed to the permittees who have placed bids on the call.

Bids by Members are dispatched on a first in, first out basis.

The allowed time for individuals to respond to the call is as follows:

- Dispatch calls placed more than seventy-two (72) hours in advance of the call time: A member has twelve (12) hours to bid on a call, or relinquish their right to the call.
- Dispatch calls placed twenty-four to seventy-two (24-72) hours in advance of the call time: A member has six (6) hours to bid on a call, or relinquish their right to the call.

- Calls placed twelve to twenty-four (12-24) hours in advance of the call time: The first available member/permittee reached in person shall be offered the call.
- Calls placed under twelve (12) hours: You cannot access the dispatch service, must refer to the Crew Finder, availability list or day call list, found on the portal. **It is REQUIRED to report any permittee hires along with due diligence to dispatch once your call is filled.**

CALL CHANGE

Once a day call has been filled, the Employer or Supervisor/Head of Department shall assume responsibility for notification of any call time change, call cancellation with due notice, and/or notification of any changes to location to report to work.

LENGTH OF DAY CALLS

- Calls may last for a maximum of three (3) days. The length in days of a day call must be stated in advance.
- A day call may be extended where the Union and the Employer agree such is necessary for continuity purposes.

SCHEDULE E – GUIDELINES REGARDING EXTENDED WORK DAYS

Motion picture productions are budgeted for specific hours of production. There are cost deterrents, which encourage the production to be on budget and on time.

When an extended work day is necessary, the need for same should be identified as far in advance as possible so that the appropriate planning may occur.

The following guidelines set forth common sense measures which should be considered when extended work days are necessitated:

1. Sleep deprivation, which may be caused by factors other than an extended work day, should be identified by the employee. The Canadian Automobile Association (CAA) cautions drivers as to the following danger signs:
 - i) Eyes closing by themselves
 - ii) Difficulty in paying attention
 - iii) Frequent yawning
 - iv) Swerving in lane
2. CAA warns that drivers experiencing any of the danger signs could fall asleep at any time. CAA recommends three basic solutions: sleep, exercise, and caffeine. CAA urges drivers who are too drowsy to drive safely to pull off the road to a safe area, lock the doors, and take a nap – even twenty minutes will help. Upon waking the driver should get some exercise and consume some caffeine for an extra boost.
3. Any employee who believes that he/she is too tired to drive safely should notify an authorized representative of the Employer before leaving the set. In that event, the Employer will endeavour to find alternative means of transportation or provide a rest area or hotel room. Such request may be made without fear of reprisal and will not affect any future employment opportunities.
4. When the Production Company anticipates an extended work day, the employees should be encouraged to car pool.
5. When an extended work day is necessary, appropriate beverages and easily metabolized foods should be available.

SCHEDULE F – PROVISIONS REGARDING MEALS AND GRACE PERIOD

The following scenarios have been illustrated for the purpose of determining proper recording of time for meals for on-set crew as per Article Nine:

Scenario #1 – 12-hour shoot day, everything is on schedule

If General Crew Call is at 6:00 am . . .

- Pre-Call Meal is taken between 5:00 am and 7:00 am (1 hour before or after General Crew Call)
- First Meal is served by 12:00 noon (within 6 hours of General Crew Call)
- Return to work at 1:00 pm
- Second Meal is served at 7:00 pm (within 6 hours of preceding meal)

Normally, wrap is called by this time (7:00 pm) and Grace is extended for ½ hour automatically. No meal penalty would apply unless crew worked past 7:30 pm without a 2nd meal, in which case meal penalty would be retroactive to the end of the 6th hour (7:00 pm).

Scenario #2 – Grace Period

Using Scenario #1, work is in progress at 12:00 noon and the Director decides to continue working into the 1st meal period (scheduled for 12:00 noon, 6 hours past General Crew Call) . . . 12 minutes of Grace Period is extended without meal penalty.

- If the work is completed and lunch begins at 12:12 pm:
- Time out for the 1st meal is marked on the time sheet as 12:12 pm
- No meal penalty is incurred
- One hour of lunch commences at 12:12 pm and ends at 1:12 pm

If the work is not completed and lunch begins after 12:12 pm:

- Time out for 1st meal is marked on the time sheet as the actual time lunch commences.
- Meal penalty is incurred retroactive to 12:00 noon @ \$2.50 per six-minute increment or any portion of the six-minute increment encroached.
- One hour of lunch period commences beginning with the time lunch actually begins and ends one hour later (payment of meal penalty does not reduce the meal period).

Scenario #3 – Making Safe

Using Scenario #1, lunch is called at 12:00 noon . . . If some Employees must make the work site safe, or secure equipment for safety or security reasons (“make safe”) before leaving for lunch:

- Employees must report to the 1st AD or appropriate Employer Representative prior to lunch being called and inform him/her that “make safe” time is necessary prior to commencing the lunch period, along with an estimate of how much time is needed. Employees must establish clear authorization from the Employer Representative to take additional time to make safe so that such can be recorded on the Daily Production Report, and authorization for payment of such can be verified.

- Once approval has been granted, only those authorized Employees may proceed with making safe, and shall record such time as it actually occurs. Using this example, with lunch called at noon, the employees take 6 minutes to make safe, and report the exact time on their time sheets (12:06 pm) their lunch period commences. Because the time worked is after the 6th hour, it incurs meal penalty of \$2.50 each six-minute increment until lunch commences. Employees shall then commence lunch for one hour from when the work ended, and report back for work at the end of such hour (1:06 pm).
- Because this additional make safe time would mean that these employees are returning to work later than the remainder of the crew, the Employer may offer an early return to work for a buyout of meal penalty on the portion of the meal hour not taken, plus payment for such time at the prevailing rate.
For example, an employee completing “make safe” activities at 12:06 commences lunch hour, and is asked to return to work along with the remainder of the crew at 1:00 pm. Lunch hour would therefore be fifty-four (54) minutes, leaving 6 minutes of lunch period not taken, but paid at the prevailing hourly rate along with meal penalty for those 6 minutes.

SCHEDULE G – SAFETY GUIDELINES

Workplace health and safety is the responsibility of the Employer as per the Manitoba Workplace Safety and Health Act and Regulations. Employees may refuse to perform work that they consider to be unsafe. The Employer must review and address all safety concerns arising from employees being asked or required to work alone. At minimum, it is mandatory to hire an IATSE 856 Advanced First Aid Attendant or Emergency Medical Responder (EMR) as Key First Aid for the First Aid/Craft Service Department, provided there are more than 10 workers. If the Employee and the Employer cannot agree on a reasonable remedy then a Workplace Safety and Health officer may be called in by the Employee to offer recommendations. Worksites must have a healthy standard of cleanliness and sanitation in order to address the concern of working with biohazards including, but not limited to: garbage, mould, medical waste, drug paraphernalia, feces and urine. Inclement Weather and Electrical Equipment Guidelines

- When using elevated work platforms, wind speed should be monitored with an anemometer. The platform must be lowered, or operated from ground level, when wind speeds at platform height exceed 40 km/hour or the manufacturer's limit.
- If lightning strikes within or approaches a 16km radius of any Aerial Platform, then all platforms on the worksite should be evacuated. This Agreement shall become effective and operative from and including April 1, 2025, and shall continue in force and effect thereafter from year to year unless terminated or renewed as hereinafter provided.

Should either party to this Agreement desire to renew, revise or terminate this Agreement, then not less than sixty (60) days nor more than ninety (90) days prior to the expiry date of this Agreement such party shall give written notice to the other party of such intent.

Following receipt of the written notice to renew or revise the Agreement, the parties will arrange to exchange particulars related thereto and be prepared to commence negotiations within thirty (30) calendar days of such exchange.

The selection of a nominee by each party to the arbitration shall be made within twenty (20) days after the written request for arbitration has been received and the other party to the arbitration shall be notified of such selection forthwith.

If the two (2) nominees appointed as herein provided shall fail within fourteen (14) days from the date of their last meeting, to agree upon a Chairperson the said two (2) nominees shall then forthwith request the appointment of a Chairperson pursuant to s. 114 of The Labour Relations Act of Manitoba.

A board of arbitration or a single arbitrator shall have the authority to determine whether any matter referred to it is arbitrable.

The Employer and the Union agree that in the case of a board of arbitration, each will be responsible for the fees and expenses of their respective nominees and that each will bear an equal share of the fees and expenses of the Chairperson of the Board of Arbitration. In the case of an appointment of a single arbitrator, each will bear an equal share of the fees and expenses incurred.
